## AN INDISPENSIBLE ASSET: The Role of an Elementary Assistant

**A**n elementary Montessori assistant is an invaluable asset that every elementary teacher needs. She is most valuable when she is cognizant of the principles that guide the child's individual formation and works hand-in-hand with the trained teacher to bring about that formation. Join me in investigating the skills and understanding required to assume this crucial role and to become a substantial brick in the child's construction.
